

Co-curricular Excellence Scholarship

The Scholarship for Co-Curricular Excellence is a scholar initiative aimed at providing an unrivalled level of support to the brightest and emerging talents in the field of sports, public speaking and leadership. It is offered to the students who demonstrate exemplary standards of effort, progress, involvement, contribution, and influence on the peers. Students having excellent records in sports, co-curriculars and club activities, volunteering for community service along with having good academic records are encouraged to apply. A maximum of 5 scholarships will be awarded to outstanding candidates.

The scholarship is awarded during the 1st term of the academic year. It will be monitored and reviewed every year provided the scholar maintains good academic performance throughout the duration of degree programme while also maintaining behavioral conduct and commitment to sustained excellence at RIC.

- 50% scholarship on 1st year tuition fees and subsequent years provided that the eligibility criteria are maintained
- 65% scholarship on 1st year tuition fees for exceptional performance in both academics and extra-curriculars

Cost of Living Expenses in Sri Lanka

Approximate monthly expenses for an Indian student in Sri Lanka inclusive of food, transport and accommodation (assumed to live within 3 km from RIC): INR 23,700 – 32,500

Points to note: The academic year runs for 9 months of the year only.
